

NATIONAL GEOGRAPHIC KIDS CHAPTERS

Incredible stories about animals and
the people who love them

In *Animal Superstars*, you'll read three incredible stories of animals that were born to perform. You'll meet Opee, the motocross doggie daredevil; Sidewinder, the groundhog weather wonder; and Tuna, the kitty rock star. Follow along on their true adventures as they amaze, inspire, and steal the show.

Also in this series:

“Engaging chapter books are just what kids need to develop fluency and comprehension, and these compelling true stories, full of intriguing information, will make kids want to read!”

—Mariam Jean Dreher,
Professor of Reading Education,
University of Maryland, College Park
